Denbigh and Flinton Rink Update

Weather permitting, we will start making ice at both of these locations at the end of December with hopes to have the ice surface ready within the first couple of weeks of January.

Due to COVID-19 restrictions the change rooms and canteen buildings will remain CLOSED, until these restrictions are lifted.

There is a limit of 10 people on the ice surface and NO team sports are permitted during the Provincial Lockdown.

Lights will be on until 9:00pm provided the ice surface is suitable for skating. If the lights are off or flooding operations are taking place, please refrain from using the ice surface.
