

Effective Monday March 16, 2020

As the Coronavirus/COVID-19 situation evolves, protecting the health and well-being of our residents and our workforce is our top priority.

As a precautionary measure, the Township of Addington Highlands has closed both branches of the Addington Highlands Public Library. In addition, all Recreation Facilities are closed. All programming, rentals and events have been cancelled.

Residents are still able to access the Lakelands Family Health Team at the Addington Highlands Community Centre – Denbigh during regular operating hours. Please check the Lakelands Family Health Team Facebook page and/or Web-page for updates on hours of operation.

The Township Office will remain open to the public but we are asking that anyone experiencing symptoms such as a fever, cough, sore throat or shortness of breath refrain from entering the building. We encourage those people to contact the Township by calling 613-336-2286 or emailing info@addingtonhighlands.ca.

At this time, these closures are in effect until April 6, 2020.
