

## NEW WEIGHT RESTRICTIONS ON TREPANIER BRIDGE

Trepanier Bridge has had repairs completed and the new weight restrictions apply. The following are the maximum gross weights expressed in By-law No 0602/2019: Single Vehicle: 10 Tonnes, Combination of Two Vehicles: 18 Tonnes, Combination of Three Vehicles: 25 Tonnes. Trepanier Bridge is located on the south end of Clark Line Road. Please make arrangements to divert loads heavier than mentioned.
